THEY'RE OFF TO SYDNEY

Last Wednesday Emily, Indigo, Aidan and Nye represented Corndale as well as the Lismore Zone in the P6 Relay in Murwillumbah at the Regional competition for swimming. They came 1st again! This means that they are off to Sydney to represent the North Coast at State level, which will be held at Homebush Aquatic Centre. We are so proud of these courageous swimmers. Congratulations!!!!

STAGE 3 ENRICHMENT DAY

On Tuesday 27th March, four of our year 5 and 6 students have been invited to attend an enrichment day with other students from our local community of schools at Tuntab Creek Public School. On the day the students will be immersed in music, experiment with instruments and compose a piece of music in small groups. A flyer is attached. Only 4 students can take part in this workshop- so please respond ASAP if you would like your child to attend. Please advise if you are able to transport students to and from this day as well.

LATE PICK UP

On the odd occasion, staff are required to attend meetings in town after school and are unable to look after students for prolonged periods when parents are running late. Please call the school if you are running late and if staff are unable to stay behind, the students will be placed in After School Care for their safety.

COLES for SPORT VOUCHERS

The school has registered for this initiative to purchase extra sporting equipment for the kids. For every \$10 spent at Coles, customers receive 1 Coles voucher. We have two collection boxes to put the vouchers in- one outside of Coles and one in the school office. Please spread the word to extended family members and friends to collect them for us.

STUDENT LUNCHES

Parents please remember that we only do noodle cups on a Wednesday. Thank you.

PARENT LUNCHES

VIRTUES OF THE WEEK

Kindness: is showing you care, doing some good to make life better for others. It is being thoughtful about people's needs. Kindness is showing love and compassion to someone who is sad or needs your help. Kindness is treating yourself and others gently. It is caring about the earth and all living things.

Service: Is giving to others and wanting to make a difference in their lives. It is looking for ways to be helpful instead of waiting to be asked. The needs of others are as important to you as your own. When you work with a spirit of service, you give any job your best effort. You make a real contribution. People who want to be of service can change the world.
