### NEXT P & C MEETING

Our next P and C meeting will be held on this afternoon Monday 21st May at 4:30pm. This will be a valuable meeting prior to the Zone cross country. All welcome.

### ZONE CROSS COUNTRY

The Zone Cross Country carnival will be hosted by our school on Friday 1st June. We will require assistance with setting up, providing lots of home cooking to sell, cooking the BBQ, helping serve throughout the day and parking control. Please keep the day free if possible. This is our major fundraiser for the year. Many hands make light work.

### NAPLAN COMPLETE

Last week, students in years 3 and 5 completed their NAPLAN testing online. I wish to congratulate the students on their efforts, becoming experts at entering test codes and individual student codes by the end of the week. Also, congratulations to all other students in years 2, 4 and 6, who undertook past NAPLAN papers for the grade above their current level for practice. Well done, everyone!

### FRIDAY LUNCH

This Friday, Chelcee (Miera's mum), will be providing the students with a Mexican lunch (wraps or tacos) for \$5 per child. Please complete the order slip attached and return it to school by Thursday. Thanks Chelcee!

### BUNNINGS OFFER

Recently, Bunnings made an offer to provide assistance towards our school gardens to the value of \$600 (products and labour). The school has come up with a couple of ways on how to utilise this offer but I'd like to hear from our broader community with any alternative 'ideas'. Please contact the school with your thoughts. We are very thankful to Bunnings for this generous offer.

### SCHOOL PHOTOS

Our school photos are set down for next week on Wednesday 30th May. Photo envelopes have been sent home and can be returned before photo day.

### CANBERRA EXCURSION 5/6

Prior to receiving a rebate from the Federal Government for each child travelling to Canberra, it is necessary to place the following snippet in our school newsletter:

***Students from our school will soon be undertaking, an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.***

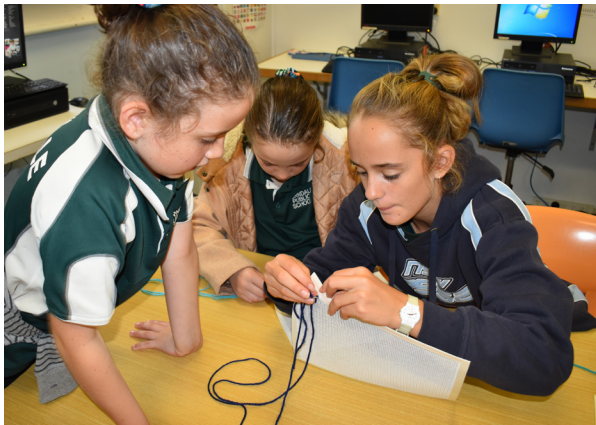

***The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$60 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.***

Also, a reminder that the next payment of \$100 is due this Wednesday 23rd May for those using the payment plan option.

### SEWING AT SCHOOL

The children started a sewing project last week with great enthusiasm. We have provided a range of colours for the children to use however some wished to bring in balls of wool from home. Ms McEwen was happy for this to occur if the wool was 8ply.

### BASKETBALL

As a result of our weekly basketball coaching sessions this term, our coach David has provided a flyer with a discount for the children if they come and try the game of basketball at the stadium in Lismore.

### TERM 2 PARENT LUNCHES

### VIRTUES OF THE WEEK

**Caring:** Caring is giving love and attention to people and things that matter to you. When you care about people, you help them. You do a careful job, giving your best effort. You treat people and things gently and respectfully. Caring makes the world a safer place.

**Reliability:** Reliability means that others can depend on you. You keep your commitments and give your best to every job. You are responsible. You don't forget and you don't need to be reminded. Other people can relax knowing things are in your reliable hands.
