SCHOOL PROMOTIONS

Thank you to Sam for updating our posters and letter box flyers aimed at promoting our school to prospective families and students for 2019. Word of mouth is a great advertisement for the school so spread the work whenever you can. Orientation days will take place every Tuesday in November for students to give us a try. The door is always open if these days do not suit some people. We have a lot to offer at Corndale!

VIRTUES OF THE WEEK

Patience: is quiet hope and trust, expecting things to turn out all right. Patience is being calm and tolerant when difficult things happen. It means showing acceptance when you or others make mistakes. Patience is doing something now so that later it will bear fruit, like planting a seed and waiting for it to grow. Patience is a commitment to the future.

Cleanliness: is washing often, keeping your body clean and wearing clean clothes. Cleanliness in you mind is concentrating your thoughts on things that are good for you. You can "clean up your act" by deciding to change when you have done something you aren't proud of or have made a mistake. Staying clean also means keeping your body free of harmful drugs.
