Permission notes were due back last week to allow your child to participate and travel by bus on this occasion. The night performance begins at 6:30pm and students are asked to meet at the Worker's Club at 6pm. A copy of the program is attached.

### MODANVILLE -FRIDAYS

This Friday, we will be travelling to Modanville for our third week of activities. A reminder that students are to wear their Corndale shirts and take a water bottle. Lunch orders can be made at their school canteen when we arrive. Interrelate will resume for the students in years 5 and 6. A question box is located in our kitchen at school for any anonymous questions the children may want answered by Rod the Interrelate presenter.

### SCHOOL PROMOTIONS

Flyers are ready to be distributed to mailboxes in our local area. If families are able to assist in completing some letter box drops, that would be extremely helpful. Please contact the school and we'll sent some flyers home. Orientation days will take place every Tuesday in November for students to give our fabulous school a try. The door is always open if these days do not suit some people. We have a lot to offer at Corndale!

### WELCOME TO AMEILIA

Last week, we welcomed Ameilia and her family (Amanda and Elijah) to our Corndale school community. Ameilia is in year 6 and has already developed positive relationships with the students and staff. It is great to have you with us.

### SAS RECOGNITION WEEK

This week, the Department of Education are celebrating and recognising the wonderful job our SAS staff (office staff, teacher's aids and general assistants) do in our schools. I would like to take this opportunity to thank Linda and Steve for their efforts within the school. THANK YOU! THANK YOU! THANK YOU!

### ZOOMOBILE AT CORNDALE

This year we will once again host the Zoomobile presentation of threatened species from Macadamia Castle. We have invited the students from Whian Whian, Tuntab Creek and Upper Cooper's Creek schools to join us on Wednesday 12th September. Tamlin from Dorroughby Environmental Centre will then assist staff in providing some follow up activities with the students after the presentation. The cost of having Macadamia Castle visit is \$7.00 per student. Please forward this amount with the permission note attached. This is also a great opportunity for the students to raise some money for the student council by providing and selling home baked goods for morning tea. Cornedale families are asked to provide cakes, slices and other treats to the year 6 students to sell on the day. Thank you for your support.

### LISMORE SHOW PREPARATIONS

The schedule has been released for this year's Lismore Show. If students wish to enter home made items, these are the categories that they can enter;

Youth Art Awards – Tursa Art Prize – outstanding artworks

The children will be entering school created entries in Murals, Scarecrow, Garden Produce, Wheelbarrow Garden, Cooking, Aboriginal Art, Colouring-In competition, Junior Photography and Cooking.

### FRONT RETAINING WALL

This Wednesday, Shane Casson (relieving GA) will be working on replacing the timber sleepers at the front of the school (weather permitting). If there are any parents at a loose end and are available to assist, please come along.

### THANK YOUS

A HUGE thank you to Bill Ryan (Linda's husband) for volunteering a day last Monday to bring the residence to life and allow the rooms to be better utilised. He worked non-stop completing a long list of tasks without a fuss and then saying what next when these jobs were done? You have made a huge impact and we sincerely thank you for it.

Another thank you to Amanda (Tilda's mum) for filling Mrs Ryan's chair on Friday and culling old and unwanted resources from our computer system. This was a big job and very much appreciated. These unwanted books (old classroom readers) will be donated to an organisation to redistribute to needy overseas communities teaching English as a Second Language. Thank you!

### **OPPOSITE DAY**

Last week, we saw many opposite ideas. Alanna coming as a boy called Alan from the Northern Hemisphere; Emily and Mack swapping identities as well as clothes; opposite school uniforms; black and white, back the front clothing and shoes on the opposite feet; summer clothes in winter and the list goes on. Well done, kids! We raised just under \$40 to go into the student council kitty. The ice creams were delicious too!

### **HOMEWORK**

Spelling: Unit 23 (er, ir, or, ur) + Activity Page on Reverse

Mentals: Unit 23 (Both Pages Please!)

### **VIRTUES OF THE WEEK**

**Moderation:** Is creating a healthy balance in your life- work/play, technology/outside time, rest/exercise. You don't overdo or get swept away by the things you like. You use your self-discipline to take charge of your life and your time.

**Assertiveness:** Means being positive and confident. You are aware that you are a worthy person with your own special gifts. You think for yourself and express your own ideas. You know what you stand for and what you won't stand for. You expect respect.
