At 10am on Tuesday, whilst K-2 are in the Education van, students who have elected to take part in the Small Schools Choir, will be introduced to the songs and music for this year's item, by the head choir teacher Leone Cox and Ms McEwen here at Corndale. Once this practice has concluded, students will continue their day of Life Education activities.

#### TERM 1 SOCIAL EVENING

On Wednesday 10th April, there will be a Social Evening held at our school for students, parents, staff and the community. This will be a great way to meet new families at the school as well as new faces of the staff. As this will be close to Easter, there will be some Easter festivities held during the early evening. It is asked that all families assist with catering for the night by providing either a plate of dinner food or a plate of dessert to share. We have sent out a note to each family asking for them to provide one or the other. The night will commence from 5:30pm.

#### EASTER HAT PARADE

During the social night, students are asked to take part in an Easter hat parade. Hats are to be created at home and brought in on the evening of the social night.

### VIRTUES OF THE WEEK

**Truthfulness:** is being honest in your words and actions. You don't tell lies, even to protect yourself from getting into trouble. You don't listen to gossip and prejudice. You see with your own eyes and make up your own mind about what is true. Being true to yourself means being who and what you are, without exaggerating to impress others or trying to look like something you are not. It is being yourself, your true self.

**Tact:** is telling the truth kindly, with consideration for how your words will affect others. It is knowing what to say and what is better left unsaid. Tact is thinking before you speak. When you are tactful, you don't tease or point out people's differences to embarrass them. You are as careful about others' feelings as you would like them to be of yours.
