LIFE EDUCATION VAN

Last Tuesday 2nd April, Corndale PS hosted students from Whian Whian and Tuntab Creek to take part in a Life Education Visit. All students met "Healthy Harold", a very informative Giraffe, who spread the word to differing age groups about eating well, being active and being cyber safe when using technology. Thank you very much to the generous families who donated home bake on the day. The students raised approximately \$85 to add to their fundraising kitty.

Families are asked to bring along a dinner or dessert contribution to share, to assist with catering. Children are asked to bring along a home created Easter Hat for a parade. There will be some student entertainment as well as a much-anticipated Easter Egg Hunt. We look forward to seeing as many families as possible attend the night.

FINAL WEEK of AFTER SCHOOL CARE

This week will see the final week of the After-School Care service provided by Rainbow Region Kids. It has been a valuable service to have within our school and we are deeply disappointed to see it cease. We wish to thank the caring and thoughtful staff of the service for providing stimulating tasks each afternoon and for taking such great care of our students after hours. Jess, you are a valuable member of our Corndale School Community and we thank you for going above and beyond on many occasions for the Corndale students. You truly are a lifesaver. We hope you will continue to work as part of our staff and to remain a part of our school community in the future. The Corndale students have described you Jess as: always having a kind, caring and friendly manner and showing enthusiasm in each and every activity. We will miss seeing your smiling face every afternoon.

AFTER SCHOOL CARE OPTIONS

For families requiring After-School Care from Term 2, Bexhill PS run an Out of School Hours service (OOSH) each afternoon. To book, please contact Brooke on 0447 278 238.

A subcommittee of our P & C, are looking into other options for care and of course the possibility of engaging another provider to work within our school grounds again in the future.

WORKING BEE- SAVE THE DATE

As a result of last week's P & C meeting, it was decided by the parents to hold a Working Bee at the school on Saturday 4th May starting at 8:30am. Tasks on the list include installing the new school sign, moving the current notice board, pruning, weeding, planting and mulching. It would be great to see as many families represented as possible. The day will take place at the end of week 1 next term, just before our first cross country event.

BUS BAY / DOUBLE LINES

A reminder to all families of the signposted bus-bay area out the front of the school. Please take note of the times where parking in this area is restricted, to avoid a fine from visiting highway patrol. Also, completing a U-turn across the freshly painted, double lines is not permitted. Fines have been distributed to members of the school community in recent weeks.

YOUNG ARCHIES COMPETITION

Lismore Regional Gallery invited children from across the region to submit a portrait of a 'Special Person' in their lives for the Young Archie Competition. Corndale students created some spectacular portraits and we were lucky enough to have 5 students selected as finalists. Congratulations to Tanisha, Franci, Eva, Georgie and Jack. The winners will be judged by a local artist and announced on Sunday 12th May at the Peggy Popart Tour from 11.30am. Good luck everyone.

DRESS UP DAY

The year 6 leadership team have planned to hold a 'Dress up Day' this Wednesday 10th April. Children are invited to make their own choice and dress up for the day. Examples can be famous sports person. Cost: \$2

SCHOOL HELD CREDIT

As there are frequent requests for small amounts of monies for students to take part in parent lunches, fun days and fundraising activities, the school is providing an alternative option for families. Families will now have the option to pay a lump sum figure (your choice of the amount), to be held against your family's name for these amounts to be deducted from as the year progresses. When the amount begins to run low, parents will be contacted to top up the amount if they so desire. Please contact the office and speak to Sonia, if you wish to create such a credit system for your family.

NEXT P & C MEETING

Our next P & C meeting will take place on Tuesday 14th May from 4:30pm. Discussions will include the upcoming Zone Cross Country event. All welcome as many hands make light work.

LAST DAY OF TERM

This Friday, 12th April, will be the last day for Term 1. School will resume for students on Tuesday 30th April. The staff wish all students and their families a relaxing and enjoyable break. Stay safe and we look forward to sharing another enjoyable and rewarding term together.

ANZAC DAY MARCH

As per the Corndale tradition, students have the opportunity to wear their school uniform with pride and walk behind the Corndale school banner in the Lismore Anzac Day March on Thursday 25th April. Students are asked to meet in the Campbell Street Car park at 8:30 am for a 9am start. Please wear the green and white Corndale shirt. Once the march has concluded, families are to collect their children from the roadside close to the cenotaph entrance outside the Lismore Baths, to enjoy the service with their children.

VIRTUES OF THE WEEK

Unity: helps people work and live together peacefully. When you practice unity, you feel connected to everyone and everything. Unity brings harmony, like the music made by the different instruments in an orchestra. Unity comes when we value each person. The joy of one is the joy of all. The hurt of one is the hurt of all. The honor of one is the honor of all.

Joyfulness: is being filled with happiness. It is a peaceful sense of well-being. Joy is inside us all. It comes from an appreciation for the gifts each day brings. Joy comes when we laugh and see the humor in things. Joy is the inner sense that can carry us through the hard times even when we are feeling very sad.
