**VIRTUES OF THE WEEK**

**Joyfulness:** is being filled with happiness. It is a peaceful sense of well-being. Joy is inside us all. It comes from an appreciation for the gifts each day brings. Joy comes when we laugh and see the humor in things. Joy is the inner sense that can carry us through the hard times even when we are feeling very sad.

**Moderation:** is creating a healthy balance in your life- work/play, technology/outside time, rest/exercise. You don't overdo or get swept away by the things you like. You use your self-discipline to take charge of your life and your time.
