VIRTUES OF THE WEEK

Self-Discipline: means self-control. It is getting yourself to do what you really want to do, rather than being tossed around by your feelings like a leaf in the wind. You don't lose control of yourself when you feel hurt or angry, but decide how you are going to talk and what you are going to do. With self-discipline, you take charge of yourself.

Assertiveness: being assertive means being positive and confident. It begins by being aware that you are a worthy person with your own special gifts. When you are assertive you think for yourself and ask for what you need. You have the self-confidence to tell the truth about what is just.
