WRITERS FESTIVAL EXCURSION

Last week, students attended the Byron Writers Festival at Lismore City Hall before attending the Lismore Historical society. The authors Isabelle Carmody and John Flanagan were engaging, and the students enjoyed hearing about what made them become authors and how they come up with their ideas. Very inspiring. We purchased some of their book for our library which they kindly signed for us.

CORNDALE CURRY NIGHT

Thank you to everyone in our wonderful school community for coming together for a fabulous social night last Thursday. All families were present and accounted for and contributed so generously to our curry feast. The students walked proudly around the grounds during their lantern parade and danced away in the classroom afterwards during the disco. Thank you to Natalie and Amanda for assisting the staff in preparing for the night and setting up and to the many parents (Emily B and Emily JH especially) who pitched in later in the night to clear away the food and wash up before relaxing around the fire pits generously provided by Ross. Thank you again everyone!

VIRTUES OF THE WEEK

Courage: is personal bravery in the face of fear. It is doing what needs to be done even when it is really hard or scary. Courage is going ahead even when you feel like giving up. Courage is needed in trying new things. It is admitting mistakes and then doing the right thing. Courage is the strength in your heart.

Determination: is focusing your energy and efforts on a task and then sticking with it until it is finished. Determination is using your will power to do something when it isn't easy. You are determined to meet your goals. Even when it is really hard, or you are being tested, you still keep going.
