VIRTUES OF THE WEEK

Respect: is an attitude of caring about people and treating them with dignity. Respect is valuing ourselves and others. We show respect by speaking and acting with courtesy. When we are respectful we treat others as we want to be treated. Respect includes honouring the rules of our family or school, which make life more orderly and peaceful. If is knowing that every man, woman and child deserves respect, including you.

Responsibility: means that others can depend on you. You are willing to be accountable for your actions. When things go wrong and you make a mistake, you make amends instead of excuses. When you are responsible, you keep your agreements. You give your best to any job. Responsibility is the ability to respond ably. It is a sign of growing up.
