### COVID TESTING

New Department of Education guidelines, shared with parents last week, require any student, staff member or visitor to stay at home if they display any cold or flu symptoms. These include: Temperature/fever = or > 37.5 degrees, cough, sore throat, difficulty breathing, loss of smell, loss of taste, runny nose, fatigue and other flu symptoms. To return to school, testing must take place and a 'negative' test result shared with the school. This has already had to occur with a staff member last week. Thank you for your understanding.

### EXPLORATION OF MARS

Today the students of Corndale participated in a video conference through the Powerhouse Museum, with Dr Adrian Brown. He is an Australian scientist who was instrumental in the recent exploration of Mars in 2020.

### NRL COACHING SESSIONS

The local NRL (National Rugby League) development officer has commenced a series of three free coaching clinics with the students on Friday afternoons. The students were split into two groups and were highly engaged in the drill Kel ran them through. A great opportunity to take part in a different sport.

### P&C MEETING Via ZOOM

The next P&C Meeting/AGM will take place via Zoom on Tuesday 1st September at 4:30pm. If you wish to take part in the Zoom, please return last week's slip and an invite from the P&C will be emailed to you prior to the meeting.

### P&C SURVEY

A reminder for families to complete the P&C survey slip in preparation for the upcoming P&C meeting next week. We are asking each family to contribute and share your thoughts. All ideas will be collated and given to the P&C for consideration.

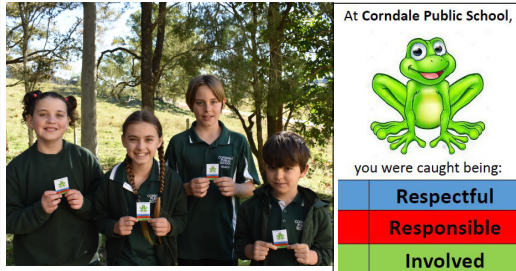

### ZOOMOBILE

Next Tuesday 1st September, Corndale will once again welcome Macadamia Castle's Zoo Mobile, through the assistance of Dorroughby Environmental Education Centre. Students will learn about and view selected wildlife and have a close-up experience with the animals.

## FREE AND FREQUENT WEEKLY WINNERS

Congratulations to Sari, Taylor, Mack & Drew for being selected as our Week 5 winners.

## VIRTUES

**Respect:** is an attitude of caring about people and treating them with dignity. Respect is valuing ourselves and others. We show respect by speaking and acting with courtesy. When we are respectful we treat others as we want to be treated. Respect includes honouring the rules of our family or school, which make life more orderly and peaceful. It is knowing that every man, woman and child deserves respect, including you.

**Generosity:** is giving and sharing. It is giving freely because you want to not with the idea of receiving a reward or a gift in return. Generosity is being aware that there is plenty for everyone. It is seeing a chance to give what you have and then giving just for the joy of giving. It is one of the best ways to show love and friendship.
