UPDATED TERM 4 GUIDELINES

Latest update to the learning guidelines for Term 4 have been shared.

- P&C Meeting may now take place on school grounds with social distancing.
- Schools can now proceed with end-of-year award ceremonies, presentations and graduation events ensuring 1.5m physical distancing between families, all visitors sign an external visitors form, remain seated as much as possible to limit mingling, no self-serve or buffet style food service)
- School excursions make take place within NSW.

CHANGE TO AFTERNOON ROUTINE

A reminder that the school must be informed BY THE PARENT/GUARDIAN if afternoon travel arrangements are to be altered for their children. We are not legally permitted to take a student's word for it, nor the word of another adult unless specified in correspondence to the office. Please ensure the staff are informed by either a text message, note or phone call. Also, it would be helpful if notifications can be made prior to 2:30pm each day as the office is a busy place each afternoon. If you wish to add alternative adults who you give permission to contact the school on your behalf, please put this in writing and deliver it to the office. Our number one priority is safety and we thank you for your understanding.

YEAR 6 FAREWELL DINNER

Year 6 students and their parents will join the Corndale staff on the night of **Wednesday 2 December** at Miss Lizzies restaurant in Lismore, to celebrate their graduation. A set menu is attached for your selection. Year 6 students will also deliver their Year 6 speeches during this night. The staff look forward to sharing this special night with the Year 6 students and their parents.

PICNIC CONCERT/PRESENTATION NIGHT

Due to the slight easing of COVID restrictions for schools, we are now permitted to hold an outdoor function to celebrate the end of the school year. On **Tuesday 8 December**, families are asked to BYO picnic blanket and dinner and then enjoy watching the end of year play and the presentation of the end of year awards. Further details will be shared closer to the date.

FREE & FREQUENT WEEKLY WINNERS

Congratulations to Max, Jessica, Alexie & Leo for being selected as our Term 4 Week 5 winners.

END OF YEAR PLAY

Time is getting away on us and we have three weeks to finalise and pull together the end of year play, "Food for Thought". Students are asked to practice their lines each day and be ready to work with Ms McEwen each Monday and Thursday in the coming weeks. We are calling on the virtues of responsibility, enthusiasm, commitment and determination to reach this goal.

P&C MEETING/RAFFLE

Our next P&C meeting will take place on Tuesday 24 November at 4:30pm at the school. Items for discussion include the installation of security cameras, end of year presentation night, new/future assets, end of year raffle, hamper and lots more. Everyone welcome!

PARENT LUNCHES

Thank you to Merryn (Fynn and Chloe's nanna) for delicious homemade hamburgers and amazing Oreo and Caramello slices for dessert. Even the bread rolls were homemade. Thank you for your generosity Merryn, we hope that you can come back again. If any parents / carers or grandparents, would like to provide a lunch for the students during the remainder of the term please contact the office to discuss a day and date which suits you. All money raised goes towards an end of year event.

HEAD LICE

Please check your child's head for head lice and/or eggs. We have received notification from a few families of their presence and head lice can be passed on to other children easily. Students with long hair MUST tie their hair back each day and students are not permitted to share hats, brushes or combs. If you detect lice in your child's hair, they must be treated prior to returning to school. A treatment must then be repeated one week later.

LOCKED GATES

Due to unwanted intruders entering the school grounds, the school gates will be locked over the weekends. It is disappointing to have to do this, but we have had items stolen from the school grounds over recent months. Please keep a look out after hours as only last week we noticed damage to our new fence along Graydon's Rd, as a result of an attempt to cut a panel out of the fence. The side gate will be permanently locked and entry to the school will be accessible via the main entry gate until further advised. Thank you for your cooperation.

NAIDOC WEEK-ARTWORK

Thank you to Uncle Gilbert, who spent the day with the students last Friday, assisting the with cultural artworks. These will be completed over the coming weeks.

VIRTUES

Self-Discipline: means self-control. It is getting yourself to do what you really want to do, rather than being tossed around by your feelings like a leaf in the wind. You don't lose control of yourself when you feel hurt or angry, but decide how you are going to talk and what you are going to do. With self-discipline, you take charge of yourself.

Consideration: is being thoughtful about other people and their feelings. It is thinking about how your actions affect them and caring about how they feel. It is paying attention to what other people like and don't like, and doing things that give them happiness.
