VIRTUES OF THE WEEK

Love: is a special feeling that fills your heart. You show love in a smile, a pleasant way of speaking, a thoughtful act or a hug. Love is treating people and things with special care and kindness because they mean so much to you. Love is treating other people just as you would like them to treat you - with care and respect.

Moderation: Is creating a healthy balance in your life- work/play, technology/ outside time, rest/exercise. You don't overdo or get swept away by the things you like. You use your self-discipline to take charge of your life and your time.
